Dear Egbert,

Your letter rec. tonight all O.K. the thermometer was at 0 this morning and is cold tonight. Succeeded on my survey beyond my expectations. The ice was solid and we went clear through. I stood the tramp well. Made 2 others also and am to do a little for John Axtell Friday morning. Am glad you attended to my instruction so well. Expect to be very busy tomorrow. That is the reason why I write this tonight. Everything is going on well here. I will try and tell you all the news when I come back.

Aff'y Yrs,
